3rd Annual East Coast Golf Tournament Unites Hedge Fund Industry to Help Prevent and Treat Child Abuse and Neglect

New York - August 30, 2010 – Hedge Funds Care, a global non-profit organization which raises funds and awareness within the alternative investment industry for programs that work to prevent and treat child abuse, announced today that its *3rd Annual East Coast Golf Tournament*, held on August 16, 2010 at the Greenwich Country Club was its most successful golf outing ever. The event raised over \$170,000 which will expand support of the charity's grantees.

"With over 30 foursomes participating in this year's tournament, the turn out of the alternative investment community at this event was nothing less than spectacular," said Glen Dailey, Managing Director, Jefferies & Company. "The success of this golf tournament speaks to the power of Hedge Funds Care to unite our industry behind a common cause – making a difference in the lives of children."

Members of the hedge fund community who attended not only enjoyed a fast-paced game of golf, but also a great cocktail party afterwards. The fun and exciting atmosphere was only enhanced by the fact that attendees had the chance to win raffle prizes including a threesome of golf at Bayonne Golf Club, a threesome of golf at Galloway National, threesome at Round Hill Club, a BMW Sedan, a threesome of golf at the Trump National in Bedminster and a twosome at Winged Foot. Plans are already underway for an expanded 4th Annual East Coast Golf Tournament next year which will aim to set yet another record showcasing the philanthropic leadership of the hedge fund industry.
